Solo- Central Java - Indonesia

A wooden oval coffee table with a unique X-shaped base, positioned in a room with a red door and a white wall. The table is made of light-colored wood and has a smooth, rounded top. The base consists of four legs that cross in the center, creating a stable X-shape. The table is set against a white wall, and a red door with a grid of glass panes is visible on the left side of the image. The floor is a light, neutral color.
